

## Experience Israel COVID-19 Update

Due to COVID-19, we have rescheduled Experience Israel 2021 to Experience Israel 2022. The new date for travel to the Holy Land with Something Good Radio is January 31 to February 10 (main trip) with an optional 3-day extension to Jordan, including beautiful Petra.

No price change for all travelers who previously registered. \$500 deposit applies and transfers. Final payment now due October 31, 2021.

Price increases by \$100 for any new travelers registered on the main trip (now \$4,292). Single supplement for main tour is \$795. Price increases by an additional \$90 per traveler for anybody who registers for the 3-day extension to Jordan (now \$1,267). Single supplement for extension is \$185.

No change to the itinerary.

For previously registered travelers, the \$500 deposit will automatically transfer to the Experience Israel tour happening with Dr. Ron and Cathryn Jones of Something Good Radio on January 31 to February 10, 2022. Travelers will still tour with their pastor.

Cancellation policy remains for anybody previously registered who chooses to cancel and not travel with us in 2022 (lose \$300 of deposit). If a traveler would still like to travel on the original 2021 dates, we can arrange for you to go with another like-minded (Southern Baptist) group.

New brochures and itineraries will be issued to the pastors for distribution to their people.

Discounts for the 2022 departure date will be reset. See new brochure.

If you purchased travel insurance, contact the vendor to transfer the insurance to the new tour date.
